

With this statement, the management of WESSLING Hungary Kft. commits itself to impartiality.

WESSLING Hungary Kft.

- ✓ in order to ensure its legal identification, indicates its name, address and other contact details on its letterhead and on all documents issued by it as a testing, calibration or certification body,
- ✓ declares its impartiality as a testing, calibration and certification body in order to ensure that the documents issued by it are trustworthy,
- ✓ is responsible for the impartiality of its testing, calibration and certification activities and does not allow pressure to be exerted on it by commercial, financial or other means in order for it to relinquish its impartiality,
- ✓ has carried out a risk analysis, which is reviewed annually to determine the risks to its impartiality,
- ✓ is impartial and independent of its customers and other parties with respect to its testing, calibration and certification activities,
- ✓ monitors, analyzes and documents conflicts of interest arising from certification decisions, including conflicts of interest arising from other existing relationships with the customer,
- ✓ if a relationship compromises impartiality to an unacceptable extent, it refuses to carry out the testing, calibration or certification,
- ✓ does not test or calibrate a product or device, or certify a product for which consulting has been performed at a customer, if impartiality is compromised by the relationship between the consulting organization and WESSLING Hungary Kft. to an unacceptable extent, unless at least two years have elapsed from the completion of the consulting,
- ✓ requires its employees to report any situation that comes to their attention that may constitute a conflict of interest for them or for WESSLING Hungary Kft.,
- ✓ All members of its staff and members of the Impartiality Committee, who may influence the calibration, certification and testing activities, shall act impartially and shall not submit to any commercial, financial or other pressure that could compromise impartiality.

Budapest, January 10, 2021.
